Like our service? A kind Google Business Review would mean the world to us. In the meantime, thanks for choosing Racquet Film. **Please note the following:** turn around times vary from 2-7 days however circumstances beyond our control can change this without notice. Information on our processes and pricing is available on our website, subject to change. **If you ask for us to hold your negatives for 'collection', you have 30 days from the date of submission** to collect them before they are disposed of. Download all digital files upon receiving them as they are only kept on our servers for one month after provision to the client. It is important that you read the terms and conditions outlined on our website. Thank you again for supporting us. We continue to strive to be a better lab and offer a higher level of services to our customers. We're glad to share the ride with you.
